Called to Order: 6:04 in Sarah Johnson's classroom, Room 259

Minutes from August 18, 2025, approved.

Treasurer's Report for August approved. One donation from Open House was received. Digital portals have been set up for incoming donations.

Old Business: Grants for students that have not been paid. 2 students did not use the grants. 2 students need to submit receipts for their activities.

Banking: A debit card for the RBEF has been set up at Brookfield Bank. Dave Monti's name along with the RBEF is on the card.

RBTv will partner with us to make video ads for our sponsors. Dave will send out letters to offer this to businesses once the letter has been finalized

Received \$100 donation at Open House along with a \$2,000 donation from an alumnus (Peter D. Class of '69) The antique mall sent in a check for \$197 from RBEF sale items. Total raised for 2025-26 so far is \$2,947.

A student liaison request received no response. Dave will contact Beth Augustine to discuss this matter. This is a priority of the RBEF to promote the grants and scholarships we oversee.

Again, we can add two more board members to the RBEF Board of Trustees.

The Magic show has been scheduled for November 20, 2025, at 6:30pm. Sarah Johnson will book the Little Theatre for this date. We need to look for donations for a silent auction for this event. Dave will send out a spread sheet for the board to keep track of these donations.

The Antique shop will set a date for the Pop-Up Sale of the Monti family estate some time after Halloween.

The Hegner scholarship sent a \$2,500 donation. We have been asked to invest \$12,000 in a CD certificate to accumulate interest in this scholarship. \$3,000 will be kept liquid in this account.

New Business: Dave Monti and Marc Bulandr shot video for the virtual tour of the school along with Matt Holdren and 2 RBTv students. The board OK'd a gift card for each of these students for \$25.00 each as a thank you.
