

Subject Matter Expert (SME) Speed Dating Sign-Up Sheet

ATPESC participants, we have divided the hour into 20 minute time slots for two people at a time to meet with our subject matter experts. Please write your name in the boxes to sign up for meeting slots you'd like to take; it is first come, first served. If you want to discuss something with an SME and are unable to sign up to meet with them, please feel free to ping them about your topic on the ATPESC Slack space.
