

Arambol, arambol arambol, arambol
Arambol, arambol arambol, arambol

Soch ye ab meri kar rahi violence
Shaanti dila de mujhe de de thoda silence
Chhod ke chize teri saari saari high end
Leke chalun main tujhe pyara sa ek iceland

Arambole me jaake beparwah main ghoom lu
Dino kahan kho gaya hai? Jaake use dhoond lun
Choti si bear piyun, letun dekhon full moon
Lehron mein behne me aata hai sukoon khub

Jadd da main aaya hua, hai ye sadyantra
Bhaagle kitna bhi nahi hai koi ant
Maathe pe hai phir kyun itni shikan?
Bade se tu jagg da chota tu ansh hai

Aag lagane waale na rang ghol
Roz khushi ke bas kaaran soch
Shaanti mile hai bas aisi jagah
Jab main leke chalun tujhe arambol

Arambol, arambol arambol, arambol
Arambol, arambol arambol, arambol

Bahut hui hai meri bhaagam daud
Bechainiyon ka dil kaaran roj
Kal ki mujhe ab parwah nahi
Bas leke chal tu mujhe arambol

Arambol, arambol arambol, arambol
Arambol, arambol arambol, arambol

Paiso se khushi milegi chhote tera bhram hai
Jitna joota le sab pad raha kam hai
Aaj abhi aur ye waqt hai saccha
Mauj mana le aur jee le saare lamhe

Apne lage hai mujhe ajnabi
Mujhe soch, samaaj se kar bari
Tehar mein nahi ab gehan de
Kis baat ki nahi mujhe hadbadi

Maange dil mera, more more
Khwahish kare bada shor shor
Bhatak raha hun par pahunchu nahi
Kyunki duniya saali hai ye gol gol

Bahut hui hai meri bhaagam daud
Bechainiyon ka dil kaaran roj
Kal ki mujhe ab parwah nahi
Bas leke chal tu mujhe arambol

Arambol, arambol arambol, arambol
Arambol, arambol arambol, arambol

Leke chalunga tujhe, mujhe leke chal
Leke chalunga arambol
Leke chalunga tujhe, mujhe leke chal
Leke chalunga arambol
