Abstract (Times New Roman 10, Bold, Spasi 1, spacing before 6 pt; after 6pt)

The abstract contains the problems, research objectives, research methods and a summary of the research results. Word count 150-200 words and written in one paragraph. Abstract written in English.

Keywords: contains 2-5 words (Times New Roman 10, Spasi 1)

1. INTRODUCTION (Times New Roman 12, Bold, Spasi 1, Spacing before 6 pt, after 6 pt)

The introductory section contains: (1) research problems; (2) insights and problem solving plans; (3) formulation of research objectives; (4) a summary of theoretical studies related to research problems. (Times New Roman 12, spasi 1.15, spacing before 6; after 6).

2. METHOD (Times New Roman 12, Bold, Spasi 1, Spacing before 6 pt, after 6 pt)

The methodology of an article outlines the procedures employed to conduct the research, including the type of study, sample selection, data collection and analysis methods, ethical considerations, and limitations of the study. Its detailed and transparent description is essential to guarantee the replicability and reliability of the results, in addition to providing a solid basis for the interpretation and generalization of the findings. The research method contains: (1) research design; (2) population and sample; (3) data collection techniques; (4) and data analysis techniques. Avoid writing subtitles in this section. (Times New Roman 12, spacing 1.15, spacing before 6; after 6)

3. RESULTS AND DISCUSSION (Times New Roman 12, Bold, spacing 1, Spacing before 6 pt, after 6 pt)

The discussion in the article contains: (1) Answers to the formulation of the problem and research questions; (2) the findings obtained during the research; (3) interpretation of the findings; (4) The findings are associated with existing knowledge. The interpretation of the findings is related to existing theories. (Times New Roman 12, spacing 1.15, spacing before 6; after 6).

Table

Put the table title above the table and write specific table specific

Table 1. Table Title (Times New Roman 11, spacing 1)

No	Name	Pre-test	Post-test
1	A	4	7
2	B	5	8
3	C	6	9

Source: Name, Year (Times New Roman 11, spacing 1)

If the table is the result of a reference to a journal/book, then the author and the year of publication must be included.

Figure

The image format is a jpeg or png file and the image description is below it. The title of the image is placed below the image/photo. If the picture is from yourself, include your name and year when the photo was taken. If the image is the result of a reference to a journal/book, the author and year of publication must be included. The source is placed below the left corner of the image/photo.

Figure 1. Image Title ((Times New Roman 11, spacing 1)

4. CONCLUSION (Times New Roman 12, Bold, Spasi 1, Spacing before 6 pt, after 6 pt)

Presents a summary of the description of the results and discussion, referring to the research objectives. (Times New Roman 12, spasi 1.15, spacing before 6; after 6).

REFERENCES (Times New Roman 12, Bold, Spasi 1, Spacing before 6 pt, after 6 pt)

The author must include a list of references and written alphabetically. Writing bibliography based on APA style.
