ChatGPT Prompt- Digital product creation

Bot link:

Prompt:

Hey ChatGPT, act as a digital product expert. I'm [your name and where you are from], I am a beginner Canva Graphic designer, and I want to sell digital products on Etsy from India. I have researched & found my profitable niche, "[Your Niche]." All productivity-related digital products that come into this niche, I'm sharing an Etsy product link below:

<https://www.etsy.com/in-en/listing/1257544669/2026-adhd-printable-planner-sunset-adult>

I want you to analyse the product and tell me why this product is selling well, what's included in this product and the step-by-step process to create this product using Canva. Ask me any question if you need for the best output possible

Bonus 8 .
