

New Intern Interview Questions

1. Tell us about yourself (character, activities, hobbies, interests)
2. What are the some things that make you stand out from other candidates?
3. What do you know about the Humane Society of Southern Arizona and the Hand in Paw Youth Internship?
4. Tell us some qualities that you think are good for an intern to have?
5. What do you like (or would like) about working with kids and animals?
6. How would you greet children and parents coming to an event?
7. If a child was mishandling an animal or being too rough, how would you deal with that student?

8. If a child was acting inappropriately with another child, how would you resolve the problem?
9. What do you do when you don't know the answer to a question?
10. You have completed your assignments/tasks and now you have nothing to do. What do you do with your time?
11. Our interns work closely to accomplish our tasks and goals. How do you feel about working in a group with your peers?
12. How do you handle being corrected by a teacher or adult?
13. Are you able to be off of your phone for the duration of the day?
14. How do you feel about working with a variety of animals (rats, ball pythons, etc.)
15. If you are selected to be an intern, will you be available for summer camp, the school year, or year-round?
