Transcript: Reorganizing Your Courses in Schoology

0:00   When you log into Schoology and go to your Course Dashboard, you might notice the courses are not in the order you want.

0:06   To reorder your courses, you will want to go to the Courses tab on the red ribbon at the top of the screen.

0:11   A course menu will appear. On the top right-hand corner, click on My Courses.

0:17   Now, on the right-hand side of the screen under Manage Courses, click Reorder Courses.

0:24   When you see this pop-up, drag your courses into the order you want.

0:29   When you are done, click on the X to close the Reorder Courses pop-up.

0:33   Click back into the Courses menu.

0:36   Your courses have been reorganized.
