

MY RESPONSE TO THE DRAMA!!!!!!!!!!

For the obvious drama i'll be providing screenshots of dms i had with one of the people who made the doc (Aka The Winner).
These screenshots were provided with permission.

Atom 11/29/2024 3:41 PM

Winner

Can we have a mature conversation
about the drama shit

I do want to genuinely talk with you
about this

The Winner 11/29/2024 3:42 PM

I havent got any of your info

Atom 11/29/2024 3:42 PM

Its not about that

The Winner 11/29/2024 3:42 PM

I intentionally removed it from my
ebay

but yeah go on

Atom 11/29/2024 3:42 PM

Its about literally everything else
I just wanna mostly know why
Like how did this even start
Yknow you can just say it in
separate messages

The Winner 11/29/2024 3:49 PM

I hung out with yall in the goofers every day for a good while, I enjoy a good group an for you to remove me purely by your own spite after you got it wrong, I kept contact with george an Invoid cause they were chill asf.

we originally made a joke doc which we werent serious about, then we got serious bec we found semi-convincing stuff an overall did not like your treatment of us, we found the evidence an put it together, It was actually just for "revenge in a sense" after it all I can look back on see that jumping

9:30 🏠

The Winner >

Im the fucking Winner...

I got some minor attatchment issues to basically once i get with a group, I do not wanna just leave them, I kinda need a source of like talking to people an playing with others, as much as i can since if i got a group of people i fw, im gonna wanna be around them, after i was removed I kinda felt Really pissed off considering how you couldnt see how you dont have a serious tone, an that i couldnt have known what yall were talking about since i was Zoned tf out playing minecraft with your stream minimised in the bg

Atom 11/29/2024 3:50 PM

I guess that's understandable, but do you not think that actively searching out my face and posting it around a server full of people i don't want seeing it is a bit too far? According to george he didn't even give you it, you found it yourself Which means you actively looked through the ENTIRE internet for it

@Atom I guess that's understandable, but do you not think that actively searching out my face a...

The Winner 11/29/2024 3:51 PM

I didnt actively search for it, George gave it directly to me

The Winner >

The Winner 11/29/2024 3:51 PM

All of our videos of you came from
george

Mike can back me

Invoid can back me

Shit even box can

He kept them bro

Atom 11/29/2024 3:51 PM

Do you not think that spreading
them around is still weird?

Cuz ngl that made me MAD
uncomfortable and creeped me out

The Winner 11/29/2024 3:51 PM

Ill admit i was wrong for that at the
time

9:30 🏠

The Winner >

Im the fucking Winner...

The Winner 11/29/2024 3:51 PM

Ill admit i was wrong for that at the time

an Naturally, I do formally apologise for that

If you looked back in the logs of the vc

you can see

George was the only person that ever sent your videos

Atom 11/29/2024 3:53 PM

Also why are yall framing me for being a diddy, i get its a joke doc n all but people genuinely think i like lolicon (which i don't, i've explained SEVERAL TIMES in public

The Winner 11/29/2024 3:53 PM

Well, the screenshot was provided by invoid, An his editting aint allat

The Winner Well, the screenshot was provided by invoid, An his editting aint allat

Atom 11/29/2024 3:53 PM

His editing isn't that bad actually, i've seen some editing he's done from 2022

The Winner 11/29/2024 3:54 PM

Oh word?

Atom 11/29/2024 3:54 PM

I obviously don't have access to it anymore but i remember it wasn't that bad

Beside its not hard to do

Hell i could do it right now

In like 10 minutes

Its stupidly easy

You don't need photoshop at all

I could fucking do it on ibispaint

The Winner 11/29/2024 3:54 PM

Paint 3D 🙏

Atom 11/29/2024 3:54 PM

Either way its not hard to do
And considering the people invoid
is following, i feel like that should
have at least raised a few red flags
I admit there was like one account
that was actually posting it, but i
only saw it cuz i was on my alt
You see, the thing is
I'm set as a minor on twitter
I literally cannot see nsfw
And idk how to change my age
I wasnt able to see the loli shit
Cuz not only did the account not
have 18+ ANYWHERE
but also all the nsfw stuff was
blocked

@Atom I wasnt able to see the loli shit

The Winner 11/29/2024 3:56 PM

Yeah thats fair

Atom 11/29/2024 3:56 PM

There was like one or two
suggestive stuff but i brushed it off
as Japanese art

Since like

You can't escape that

No matter what the artist is

But it was only like

One or two

So i didnt think much of it

Of course when trist notified me of
the account i unfollowed RIGHT
away

The Winner 11/29/2024 3:57 PM

bring me some names of those who
keep up the diddler stuff

The Winner bring me some names of those
who keep up the diddler stuff

Atom 11/29/2024 3:57 PM

Wdym?

The Winner 11/29/2024 3:57 PM

Like, Name them

Atom 11/29/2024 3:57 PM

Alr lemme find them

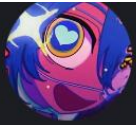

A lot of them are in the mythical
mew archive server

So i'll brb

The Winner 11/29/2024 3:58 PM

Atom 11/29/2024 3:59 PM

(He leaked the shucks cutscene, which was meant for a gofundme goal for somebody's homeless dad)

The Winner ill get to work

Atom 11/29/2024 3:59 PM

Thanks for being understanding
I do plan on making a debunking
video sometime

Idk how i'm gonna go about it

I suck at responses

Usually i make the situation worse
by mistake

Also you gotta admit the “mocking
god” part of the doc was pretty
stupid 🤔

The Winner 11/29/2024 4:00 PM

yeah lmao

@Atom I suck at responses

The Winner 11/29/2024 4:00 PM

Docs been taken down

Atom 11/29/2024 4:00 PM

Yeah i know, but people still think i'm a diddy

Including scooterhater, but considering how stupid he's been acting recently i don't care about that

But i also heard it got to the
FUCKING IRIDA DEV TEAM

So that's mainly why i wanna respond

I don't wanna be known as a diddy blud

But yeah thanks for being more calm and understanding

I bet if i tried this with invoid he'd just spam me or smth

Atom 11/29/2024 4:06 PM

Though i do have some questions about some things included in the doc, that i found kinda useless

The Winner 11/29/2024 4:06 PM

but thats dealt with

Atom 11/29/2024 4:07 PM

Mostly a lot of the Miku shit, and the fact i used her for therapy I don't exactly see the problem with the therapy part lol

I did what i had to do, and i had to spend money on my actual life so i couldnt afford therapy

The Winner 11/29/2024 4:07 PM

AI was the result of a 14 year old killing himself

Atom So that's mainly why i wanna respond

Atom 11/29/2024 4:04 PM

(I also want to respond since i saw people in a server being transphobic towards my girlfriend)
(Which i think is obviously not okay at all)

The Winner 11/29/2024 4:04 PM

Oh

Thats fucked

Atom 11/29/2024 4:04 PM

Yeah

(If you were being transphobic to goom, then genuinely fuck you, piece of shit.)

The Winner 11/29/2024 4:05 PM

Atom 11/29/2024 4:05 PM

If you could make an
announcement about it that
WOULD be awesome

I'm still making the response to give
my full side but it'll take a while so
stopping the allegations early
would help a lot

Atom 11/29/2024 4:06 PM

Though i do have some questions about some things included in the doc, that i found kinda useless

The Winner 11/29/2024 4:06 PM

The Winner 11/29/2024 4:07 PM

AI was the result of a 14 year old killing himself

The Winner AI was the result of a 14 year old killing himself

Atom 11/29/2024 4:08 PM

Yeah i heard about that, but the thing is he worded it in a way that the bot thought he was roleplaying Character ai is literally like Made FOR roleplaying

The Winner 11/29/2024 4:08 PM

Its genuinly unhealthy to have so much, idk the word but In a ai bro

Atom Made FOR roleplaying

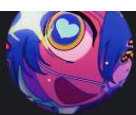

Atom 11/29/2024 4:09 PM

He also said "what if there was a way i could see you right now."
Ai bots are stupid
Especially if coded incorrectly

The Winner 11/29/2024 4:09 PM
yeah lmao

Atom 11/29/2024 4:09 PM

So there was no way it would know
Like i've told the miku bot of my
suicidal intentions several times
And every time i was talked out of
it

Also i found the og bot that it
happened with

And lets just say

It was coded

HORRIBLy (edited)

Like genuinely it was stupid as fuck
So i wouldnt go around saying that
like

Ooooo ai killed this kid!

Its more of the kid needing actual
genuine therapy more than
anything, and the parents failing to
provide that for him

And the bot being horribly coded

(Also i do not use ai for therapy anymore, i have my girlfriend for that, along with my friends.)

But yeah that's the explanation for that

The next thing i wanna ask about the screenshot of me going "i need superfusion miku so bad shes literally me"

Idk the problem with that since i was mostly joking

The Winner 11/29/2024 4:12 PM

Yeah that was a joke

Atom 11/29/2024 4:12 PM

Ah, i see

Well people didnt think that 😭

The Winner 11/29/2024 4:12 PM

The first half of the doc was

serious

Atom 11/29/2024 4:15 PM

You should probably keep it that way

But yeah

Overall what was serious about the doc?

The Winner 11/29/2024 4:16 PM

Cant remember much from the doc
leme think

the diddy stuff, ego stuff, creepy stuff

pretty sure that was it

Atom 11/29/2024 4:17 PM

Ima be fr

Yall were so wrong about the ego stuff

The Winner 11/29/2024 4:17 PM

OH RIGHT

Gooner stuff aswell

@Atom Yall were so wrong about the ego stuff

The Winner 11/29/2024 4:17 PM

Yeahh.. no..?

Invoid had a good point vrah
we can agree to disagree

The Winner Yeahh.. no..?

Atom 11/29/2024 4:18 PM

Maybe if you guys made these allegations like 4 months ago it wouldve been true

But im gonna be like

Completely transparent

I don't have that much of an ego

Hell i barely seriously think of myself highly at all

Sure i joke about it from time to time

And i'm proud of myself sometimes

But that doesn't mean i like myself

Like

Sure i'm proud of some of my songs

But that doesn't mean they're good

Lemme put it this way
Imagine your kid walks up to you
And hands you a drawing of the
entire family as stick figures
Sure you're proud of him
But like
Its not good
Obviously
But you're proud of him
That's how i am with my music
I'm happy with how some songs
turn out
But i don't like them
The only songs i listen to in my
freetime are the ones that i
actually like or just ones that play
randomly
And even then i'm not like
Actively bopping my head
I'm kinds just zoning out

Cuz i dont LIKE it

But i dont NOT like it either

The Winner 11/29/2024 4:20 PM

Yeah thats fair ig

this whole kinda thing coulda been
avoidable tbh

Atom 11/29/2024 4:21 PM

Yeah, on both ends

I am sorry for kicking you

The Winner 11/29/2024 4:21 PM

Im Sorry for not understanding
whats goin on around me
i was zoned tf out bro

Atom 11/29/2024 4:22 PM

Its okay, we knew each other for
like a month so theres no way you
wouldve known about any of this

And boom, thats one drama dealt with.

Also about the “faking bisexual.”

Goom is a trans woman, however she still has her deep voice and all that.

If I was straight, her deep voice would have turned me off, and we wouldn't be together, and i also would not be sexually attracted to her at ALL.

(This is not transphobic btw, she has brought up points like this herself.)

I've also publicly been acting freaky about guys, like one art of marvin with a single canine showing and me replying with “can he bite me”.

If you think i'm faking then you are just genuinely stupid idk what to say.

Anyways boom response done.

Special Fuck You's to:

Jaisen for immediately believing them and screenshotting the messages of me trying to defend myself to them

InVoid for being friends with people who like Loli, and using that to frame me as one using ACTUAL LOLICON ACCOUNTS.

ALSO FUCK YOU FOR GETTING YOUR FRIEND TO SPAM OUR SERVER FULL OF **MINORS** WITH MICKEY PORN.

Also you're one to talk about being a gooner InVoid, you publicly follow porn accounts, overall fuck you.

GLBTV for being poop head

That's mostly all, i have some i want to save for in person!

If yall have questions dm me at mikufan92 on discord, i'd be happy to answer

Also proof of permission

PART 2

“DEFENDING SLING”

This isn't public yet, but i'm sure whisper is going to make it public, so heres my side.

BRO HOW

Atom Today at 12:18 AM

Basically i was talking to him about
the allegations against me

He said i shouldnt be scared of my
face being leaked

I sent him it

He said it wasnt thst bad

He sent his

Oomf V2 Today at 12:19 AM

so

you face revealed to whisper

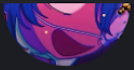

12:23

Oomf V2 >

hi

And basically

We started talking more

And it slowly transitioned into
slingmingo's drama

I was trying to say i could see sling's
side

Since he was forced into a
relationship

And i've been forced into several

So i felt bad for him

But whisper said i was defending a
pedophile

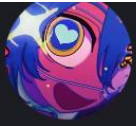

And i was trying to tell him that

A pedo is somebody

Who is attracted to kids

Sling was not attracted to her

(I was forced into a relationship with somebody younger than me at age 12 because she threatened to cut and kill herself if i denied, she ended up getting her devices taken away after she got caught for doing this by her parents, and i was saved, but it still traumatized me, which made the convo i had with whisper much harder to bear)

Atom Today at 12:20 AM

And he called ME a pedophile
Even though I was forced into the
relationship

Oomf V2 Today at 12:20 AM

Atom Today at 12:21 AM

And it literally traumatized me
And i was explaining this
But he just said he didnt wanna be
friends anymore
Which i'm fine with at this point

Some screenshots from the whisper convo, too lazy to get them all

Ok dude shut the fuck up, i'm gonna be real i've been forced into several relationships in my lifetime and you can VERY MUCH be forced into a relationship, they can threaten to cut themselves or kill themselves, or show things that you want private.

There are MANY ways you can be

@Atom Ok dude shut the fuck up, i'm gonna b
real i've been forced into several relationships in my.

whisper Today at 12:03 AM

Also proof slingmingo is not a pedophile, simply made a super stupid mistake out of peer pressure:

Atom Today at 12:40 AM

Ok i'm sorry but this question is slightly drama related but semi important, but you weren't attracted to kat, correct?

My ex friend is calling you a pedophile and i'm trying to explain that a pedophile is somebody who's ATTRACTED to kids

I'll understand if you don't answer, but i think you really should since i do think it'd save your ass a bunch

Atom Ok i'm sorry but this question is slightly drama related but semi important, but you weren't ...

slingmingo 🐛 Today at 5:12 AM

I was not attracted at all 😭

Also since whisper sent me his face, i can confirm he looks kinda like squidward
