School Improvement Projects

January-February, 2014

Construction:

1. Stone water fountain in middle school alley
   (Theodor, Naya, Vaibhav)
2. Lean-to extension attached to red shed, for PE equipment (doc)
   (Steven, Gleb, Chris)
3. Another bench, like the existing two, in the alley
   (Devan, Lukas, Sean) doc
4. Sanding and re-sealing the redwood boards on existing benches
   (RyanS, Prerna)
5. Deck platform outside room 19
6. Making recycle-bin “hiders” out of redwood fence boards

Landscaping

1. Flagstone pathway through the dirt area by K-5 bathrooms (pic)
   (Chris & class volunteers)
2. Stone (brick) planter around the tree by bathroom ramp
3. Pallet-planters along the fence in the alley (video)
4. Solar-powered water feature between 18-19 and office
5. Planting plants (doc)
   (Kelli, Elise, Erin)
6. Doing something to make the recycle boxes prettier

Cleaning/Painting/Prettying

1. Plywood-sized mural(s) to be mounted onto wall of room 20 or room 27
   (Ainsley, Lesley, Kinsey)
2. Fish tank set up in a classroom
   (Alec, Alex)

Equipment

1. Ping-Pong table for MS alley, stored between rooms (make door)
   (Oscar, Avi D!, RyanC, Ali)
2. Outdoor speakers and access box
3. A permanent tetherball pole
4. A swingset in a tanbark pit
