

CMR INSTITUTE OF TECHNOLOGY
ACADEMIC YEAR 2025,2026
Student MOOC Guidelines

- Departments to identify at least 4 technical MOOCs per semester.
- Courses can be related to academic syllabus/ interdisciplinary/ project based/ practical learning based.
- Course duration- 5 to 8 weeks (4-8 hrs of study per week), **overall minimum 20 hours.**
- Students can register for:
 - Paid certification course (evaluation is done by agency).
 - Free certification course (evaluation is done by faculty, CMRIT).
- Students may register for multiple MOOC courses
- Students registered under VTU Honors/Minors degree should take up VTU MOOC : <https://online.vtu.ac.in/>
- Students can take up any other course of their choice with the permission from MOOC Coordinator and HOD.
- MOOCs platforms recommended: Coursera, Edx, NPTEL, Udemy
- Progress of MOOC course to be tracked by coordinator.
- For MOOC offered within department,
 - A test is conducted at the end of the semester.
 - To obtain certificate from CMRIT
 - The format of the test can be MCQs/ choice of faculty.
 - The student should have completed 60% of the course (as available in dashboard)
 - The student should have obtained at least 60% marks in the test.

Reimbursement for Student NPTEL MOOC

Eligibility Criteria

1. Students who have passed the NPTEL examination with a score of **50% or above** are

eligible for a reimbursement of **50% of the registration fee (₹500/-)**.

2. **Subject name (MOOC course)** per semester which is important from the placement perspective to be **submitted by HoDs before the commencement of the semester** and should be approved by Director - Training and Placement. Only NPTEL MOOCs **approved by the Director – T&P** will be considered for the above mentioned incentive.

3. Each student may apply for reimbursement for one of the approved NPTEL course per semester taken under the Student MOOC category.

4. The course must not be part of the VTU curriculum requirements.

5. During NPTEL registration, students must enable the “Share marks with college” option.

Procedure for Reimbursement

At the end of the semester, eligible students must submit their NPTEL certificates, which shall be verified by the respective department and submitted for reimbursement.
