### HSD Case #13

Dear Parents, Guardians, and Staff:

This letter informs you that (1) individual in the Haddonfield School District has tested positive for COVID-19. All contact tracing, if any, has been completed.

We continue to ask parents to keep their students home at the first signs of [COVID symptoms](#). Also, please notify your school nurse as soon as you receive a COVID+ test, which helps the school district respond in the most efficient manner possible.

While we try to consolidate these notices to be more efficient in our communications, please note that the [HSD Active COVID+ & Vax Dashboard](#)s are updated daily and available on the HSD website.

Please [click here for the most up-to-date version of HSD's COVID-Related Decision Tree](#).

#### Case #13: Tatem

- **The individual is a juvenile male (under 10).**
- **The individual was symptomatic and tested on Monday, September 20. He received results on Tuesday, September 21.**
- **According to guidelines, there is a "look back" period beginning two days before symptom onset (or 2 days before testing if asymptomatic), which in this case is Saturday, September 18.**
- **This individual was last in school on Wednesday, September 15.**
- **Based on currently available information, it is probable that this student contracted the virus in school.**

Please note that all COVID+ messages sent by the district are archived on our website at <https://haddonfieldschools.org/covid-messages-2021-22/> .

Sincerely,

Charles Klaus  
Superintendent of Schools
