DIRECTIONS & PARKING

Portland West Middle School
619 College St
Portland, TN 37148

See the attached building map for key event locations. Parking is available in the lot directly in front of the school with additional parking in the side lots. Event participants and spectators should enter through the front lobby entrance to check-in. Team members will be directed to the pit area from this entrance.

HEALTH & SAFETY

All event participants and spectators are asked to please use their best judgment and consideration for others prior to attending the event. Those who are experiencing any symptoms of illness are kindly asked to stay home and help prevent the spread of germs.

Spectators are welcome to attend and cheer from the stands. However, no spectators will be allowed in the pit areas or competition areas. Pit areas are reserved for Coaches, Team Members, and Designated Volunteers.

LUNCH OPTIONS

***All lunch and concession sales benefit our Portland West Robotics Club. We appreciate your support!**

LUNCH / CONCESSIONS

Parents, Contact your robotics coach to order

Portland West Robotics Club pre-order lunches as a fundraiser for their program and would be grateful for your support. If you would like to pre-order lunches for your team(s) and/or any of your spectators, please review the details in the form below and make sure to submit no later than Wednesday, October 22nd at noon. We ask that **ONLY COACHES** complete this form on behalf of their team(s) and/or spectators and bring the payment on the day of the event. You can collect money from your team (no need for one check) but make sure checks are made to Portland West Middle. Put "Robo Lunch" in the memo.

KEY INFO FOR TEAM MEMBERS

Engineering Notebooks This event will have judged awards, so teams will need to turn in printed/handwritten engineering notebooks. No digital notebooks will be accepted. (You may print out your digital book and submit it)

Inspection All teams must pass inspection BEFORE they can participate in Skills or Qualifying Matches. At this event, the standard inspection checklist will be used, in addition to a checklist that confirms that all teams have adhered to the allowable cosmetic modifications **that do not hinder the bot's ability to compete.**

Skills Fields

There will be 2 available Skills Fields, which will be open for Driving Skills and Programming Skills open at 8:00AM and run anytime that matches are also taking place. Up to three Programming and three Driver Skills runs will be allowed for each team. Skills fields will be closed during lunch (12:00pm - 1:00pm) and will close for the day just before Finals Matches begin (approximately 3:30 pm).

Team Interviews will begin at 7:45 and conclude prior to the Opening Meeting (9:05). Teams should plan to be ready in the judging area 5 minutes before their scheduled interview.

BE READY in the queuing area at least 2 matches ahead of scheduled matches. Remember, times on the printed schedule will not always be accurate throughout the day, **so being aware of match progression and using match numbers is important.**

Designated Practice Fields are not guaranteed. Match Fields and Skills Fields may be used as practice fields when not in operation. Please use fields responsibly and handle all game/field elements with care. Limit use of practice fields to 15 minutes at a time.
