Dear Aaron Decker School Parents and Families,

This year students will be participating in our Olympic themed Field Day on Friday, June 12, 2026, with a rain date of Monday, June 15, 2026. Each classroom will compete together, representing a country in the Olympics.

Here is some important information for the day:

- Pack a water bottle and snack. Students will be able to refill their water inside at the water filling stations.
- Sunblock/sun protection - students are encouraged to wear sunscreen, hats, and SPF+ garments.
- Sneakers and athletic attire - please make sure students wear their sneakers and comfortable clothing. Students are encouraged to wear the colors of their country (classroom teachers will inform you what country).
- The events will take place between 8:45 AM - 11:00 AM.
- Students should bring their own bagged lunch or can purchase lunch from the cafeteria.
- Please send students with a towel so they can sit on the field with their class.
- Students will get ice pops at the conclusion of the games.
- Please make sure your child hydrates before, during, and after Field Day.

Parents are invited to watch Field Day between the hours of 8:45 AM and 11:00 AM.

If you plan on signing your child out directly from Field Day, please send a note or email to your child's teacher by Thursday, June 11, indicating your intentions for dismissal on Friday, June 12.

At the conclusion of Field Day activities at 11:00 AM, students being signed out will report to the baseball field. Parents picking up their child should proceed immediately to the baseball field backstop area, where tables will be set up for sign-out procedures.

If you have any questions, please feel free to reach out to Mr. Clark at dclark@butlerboe.org. We look forward to a fun-filled day with our students.

Respectfully,

James J. Manco
Principal
