

PRIVACY POLICY

This Privacy policy describes how we (**Lossless Music Player**) collect the information when you use our apps downloaded from Google Play Store. The policy also explains how we use and disclose the information collected from you.

What information do we collect?

- **Local File and Storage**

We use local shared objects to enhance user experience, user preferences and settings.

- **Other information that we collect**

- Information about your device and device capabilities
- Your activities on the Services
- Advertising identifiers
- Referring URL

How We Use Information We Collect ?

- To provide you better features and experience on the services
- To analysis our traffic

We also share such identifiers and other information from your device with our social media, advertising and analytics partners.

We **DO NOT** sell, trade, or transfer to outside parties your personally identifiable information. And therefore we don't disclose your information.

Changes

Our privacy policy may change from time to time. We will not reduce your rights under this privacy policy without your explicit consent. We will post any privacy policy changes on this page, and if the changes are significant, we will provide a more prominent notice. We will also keep prior versions of this privacy policy in an archive for your review.
