The Race Director has considered the following matter and has determined the following:

Team Renaissance Van Withelmind Motorsports #45
Competitor N/A
Time Post Race
Session Podium
Fact Driver theclout (Cenizo) failed to uphold the Sportsmanship rules expected of all GTSE Drivers.

Infringement Breach of Sportsmanship - "Mockery in local chat is PROHIBITED. Frequent mocking may result in driver suspension or worse. " & "All drivers are to act on their best behavior during any FVA-sanctioned event."

Decision Behavioral Probation

Reason Sportsmanship is extremely important. Toxic behavior against another driver, staff, or spectator will never be allowed in this series. Keeping a friendly environment is a top concern because no one wants to attend events where they feel they may be personally attacked. If you have an issue with another driver, staff, or spectator it should be handled **privately** in IMs or off the track. If the issue is race related then it can be brought to the attention of the Race Director through direct lines of private communication.
