- Level 4 Worksheet 1 - [Adding and Subtracting Whole Numbers](#)

Writing

Writing Task

Topic/ Prompt:

1. Use the picture prompt below to create a piece of writing of your choice.
- OR
2. Choose a topic from [Wonderopolis](#) that interests you and to write about.

You need to:

Planning:

- Brainstorm (write down all your ideas about the topic)
- Group the main ideas (pick your three main ideas and any related ideas underneath)

Start your writing:

- Introduction (introduce your character, set the scene, or topic and inform your reader what it will be about)
- Three paragraphs (follow your plan to make sure that each paragraph has only related ideas)
- Conclusion (sum up your writing, bring it to an end)

Editing:

- Start by reading your piece of writing out loud to yourself
- Make sure every sentence is complete (needs a subject and a verb/ engine and carriage)
- Add a double line (//) at the end of every idea and check every sentence begins with a capital letter and ends with a full stop
- Check that all proper nouns have capitals (Think people, place names)
- Make sure that your tense is the same throughout the writing (e.g it stays in the present tense the whole time)
- Look at sentence beginnings - if they are all the same change them or move words around
- Use sentence styles (w-start; preposition start; explore the subject; adverb start; red, white, and blue; power;

very short)

- Once you have completed your editing, re-read it to yourself out loud
