Welcome to our LinkTree!

Tyro Medicus

A reference for your most up to date scribe information!

Newsletter/Updates

- Use **.cspine2026** in the ED course for C-spine clearance

- If you're unsure where you start your shifts/where you pick up with the new schedule, check **"ED Pod Based System"** on the Linktree and check your shift time

- Make sure you're **refreshing** your notes as a last step :)

- Only use **.scbverticalcare** when seeing patients in the waiting room

- $30 hiring bonus up for grabs!
