Defense into INSTANT offense

BODY:

What do you do when your opponent hits a deep ball just inside your baseline?

You might think that you're in big trouble...but I disagree. In fact, it actually can be an OPPORTUNITY.

If you play your cards right, you can turn this difficult shot into a quick way to attack your opponent on the very next ball.

This is a strategy we saw the pros use at the Australian Open and one that you can use in your own game as well.

Check it out this lesson from my friend Brady on how he handles a deep ball:
