Privacy Policy

WhatsApp Quick Share ("we", "our", or "us") operates the **WhatsApp Quick Share** mobile application (the "App"). This page informs you of our policies regarding the collection, use, and disclosure of personal information when you use our App.
By using the App, you agree to the collection and use of information in accordance with this policy.

1. Information We Collect
WhatsApp Quick Share allows users to contact WhatsApp numbers directly without saving them to their phone's contact list. We **do not** collect or store any personal information or data entered into the app.

a. Phone Numbers
  • **Collected Information**: The app processes phone numbers that the user inputs to initiate a message through WhatsApp.
  • **Use of Information**: These phone numbers are used solely to connect with WhatsApp for communication purposes and are **not** stored or transmitted to any third party by the app.

2. How We Use the Information
The phone numbers you enter in our app are directly passed to WhatsApp through the WhatsApp API for the sole purpose of starting a conversation. We **do not** store, share, or use the phone numbers in any way beyond facilitating this action.

3. Third-Party Services
Our app integrates with WhatsApp to enable messaging functionality. You should refer to WhatsApp's **Privacy Policy** to understand how they handle any data you send through their platform.

We **do not** share your information with any third-party services or partners.

4. Data Security
Since we do not store any personal data or information, there is minimal risk to your privacy from using our app. The app operates entirely locally on your device and does not transmit any user information to external servers.

5. User Rights
Since no personal data is collected or stored, there is no data for us to manage on your behalf. You have full control over the phone numbers you enter into the app, and these are never stored or saved by us.

6. Changes to This Privacy Policy
We may update this Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy within the app. You are advised to review this Privacy Policy periodically for any changes.
