Group Conscience FINAL Minutes – September 11, 2023

Reports	
1. General Secretary Report – Robin H.	<p>In the past North Hall has suspended members for a period of time after dangerous behavior. This is a balance of Tradition 3 where the only requirement for A.A. membership is a desire to stop drinking and Tradition 1 where our common welfare comes first. Recently, after extensive discussion with the Steering Committee , on North Hall's behalf, I suspended Rod G until this Group Conscience meeting. This was because of an escalating pattern of bullying and hate speech. After a verbal altercation at North Hall, Rod G sent bullying text messages to several members in June. Then in August, he sent a series of bullying text messages, including hate speech, to Niki. Rod G has been suspended since August 24, 2023. I don't know of any problems since then.</p>

Group Conscience FINAL Minutes – September 11, 2023

	<p>Motion: Made by Suzanne C, 2nd Michael F. Rod G will be suspended until the October Group Conscience. If there are no further problems, the suspension will end after the October Group Conscience.</p> <p>Discussion:</p> <p>Noah- asked if the suspension could be 60 days and said he feels uncomfortable with Rod G at the hall.</p> <p>Diane U- stressed the importance of unity in our group.</p> <p>Rod G- said that he was attacked by a steering committee member and was advised not to share the details of that situation in this meeting because the issue may go to court. He said there have been no other issues since he was denied the door code. He does not recall sending threatening emails. He does not believe this action is within the AA traditions. He said he has not had an opportunity to defend himself.</p> <p>Brian B- is unfamiliar with the dynamic going on. His opinion is that if the issue is between 2 or 3 individuals that it be considered an outside issue. Brian believes that if there is an issue inside, it falls to the meeting secretary to remove the individual. He does not understand the need to ban someone and said this smacks of elitism. He is dismayed by this motion to ban someone.</p> <p>Robin H- we have a responsibility to make AA safe. Niki was the target because of her job as meeting coordinator. Robin could read the text messages from Rod G to Niki, but had not wanted to do that.</p> <p>Suzanne C- this issue is within AA.org's guidelines and has been done previously with disruptive members. This is a difficult topic to balance the sobriety of the person involved with the sobriety of all members.</p>

Group Conscience FINAL Minutes – September 11, 2023

	<p>Annabelle L- wants to know if Rod G would be banned from all North Hall meetings and activities? Robin H answered “yes”.</p> <p>Sabrina C- stated that this is not about keeping Rod G from all of AA, only from the North Hall building. Sabrina suggests this is not an AA issue, it’s a safety issue unrelated to the traditions.</p> <p>Larry C- stated General Secretaries are not supposed to make a motion or argue for or against banning someone or for or against any other motion. Larry has been in situations previously regarding his behavior in groups and he was never banned. He believes this current situation is an embarrassment.</p> <p>Kathy K- was around when another person had to be asked to leave the hall and others advocated for him and it became an aggressive issue. Things happened in the hall and Kathy appreciates that others are advocating for Rod, but this is a safety issue, there has been harm done, Rod has been seen yelling and screaming at people in the meeting. Kathy understands this is not an easy decision.</p> <p>Michael F- Michael is sorry we are experiencing this now, but supports the safety of the hall and does not want to come to a meeting where he feels he and others are unsafe there.</p> <p>Rod G- said he has not been shown anything. He says Kathy K had some involvement in the issue. Rod said nothing has been said or done by him since June 12 and that he made amends to Kathy. Rod would like the texts and situation others are accusing him of to be described.</p> <p>Niki S- stated that following the incident at a meeting Rod G made comments about the structure of the fellowship, made faces and then started yelling in</p>

Group Conscience FINAL Minutes – September 11, 2023

	<p>Niki's face. On 8/15 Rod G texted Niki illicit and hate speech messages.</p> <p>Rod G- stated he didn't send these messages due to his computer being hacked.</p> <p>Niki read the text messages. Niki's reason for bringing this to everyone's attention is so others in the fellowship would not be treated this way.</p> <p>The texts contained:</p> <ul style="list-style-type: none">-Addressing Niki by cruel names (ie "Bitchola", shit for brains, walking fat cell, dumb), made multiple hateful and offensive comments about Niki's weight.-Stating that North Hall would be better off without Niki, that Niki is doing a "shitty job" and that others, as well as Rod want Robyn and Niki out of NH. He said that his sponsor and others have asked Rod to get Niki to step down.-Saying that Overeaters Anonymous is where Niki should be multiple times through the texts.-Stated that Niki is not representative of NH's demographics.-Stated that people who lie, dissemble and harm the group deserve this treatment and more. <p>These texts continued even though Niki asked him to stop texting her multiple times.</p> <p>Rod G-denies he ever sent the messages.</p> <p>Andrew G called the question.</p>
