Mentoring Program Handbook

Mission: Our mission is to maximize the potential of each new teacher to become an effective member of our school community by providing multiple levels of support, guidance, and education.

The purpose of our comprehensive Induction and Mentoring Program for teachers new to our district or new to a position within our district is to create a team environment for their support. Ensuring the success of new teachers is everybody's responsibility. The program promotes teacher reflection and collegiality as well as effective instructional practices to enhance student learning. When all parties are willing participants working together to achieve common goals, the greatest success is possible. In addition to the Induction and Mentoring Program, beginning teachers are also invited to join the Beginning Teacher PLC, in which they will discuss strategies, successes, and struggles amongst each other and with the District Mentor Coordinators in a comfortable, safe, and non-evaluative manner. The comprehensive induction and mentoring program and Beginning Teacher PLC will provide the foundation for new teachers to become confident, highly effective teachers.

Goals: Our overarching goal is to attract and retain high quality teachers for the Littleton Public Schools in order to provide for increased student achievement.

To achieve our goals, we will:

- Provide confidential coaching and support in a non-evaluative manner through a mentor to new teachers.
- Enhance student success by creating a collaborative learning environment in which curriculum expectations, instructional strategies, and district information and resources are shared.
- Improve the effectiveness of new teachers by sharing the knowledge and expertise of veteran teachers.
- Encourage self-reflection and growth in protégés, mentors, and their students.

Criteria for Applying:

In order to become a mentor, applicants must:

- Have taught for at least 3 years in the building or district
- Agree to meet at least weekly with their protégé and be a supportive, professional role model
- Attend mentor training
- Attend scheduled mentoring meetings
- Work collaboratively with their protégé, District Mentor Program Coordinators, and the Director of Teaching and Learning

Selection of Mentors:

Building principals will be responsible for selecting and matching mentors with protégés with input from the Director of Teaching and Learning.

It is the policy of the Littleton Public Schools not to discriminate on the basis of race, gender, religion, national origin, color, homelessness, sexual orientation, gender identity, age or disability in its educational programs, services, activities or employment practices. Further information may be obtained by contacting Lyn Snow, District Equity Coordinator at 978-540-2500, lsnow@littletonps.org or 33 Shattuck Street, P.O. Box 1486, Littleton, MA 01460.

Our mission is to foster a community of learners who strive for excellence and prepare each student to be a successful, contributing citizen in a global society.

Confidentiality:

Confidentiality is essential in order to foster a trusting relationship between mentor and protégé. Mentors will not discuss his/her protégé's teaching performance with others, except under the following conditions:

1. If in the mentor's professional judgement, the academic growth and development, social well being or physical safety of the student is at risk.
2. If the protégé gives his/her permission for the mentor to discuss or seek further support among other staff members.

No-Fault Exit Policy:

At times, situations may arise that could interfere with a successful mentoring experience. If this happens there is in place for either the mentor, or the protégé, a no-fault exit policy.

The first step would be to discuss the issue with the District Mentor Coordinator. The District Mentor Coordinator will work with you and offer strategies for you to try.

If the strategies do not work, the District Mentor Coordinator will discuss reassignments of mentor/protégé with the building administrators and Director of Teaching and Learning.
