# January Updates

Welcome back! The Christmas break was nice, but I love coming back to all the students. They were so excited to share the gifts they received and all the things they got to do during the break. The first few days but will be a bit of a review for them. This is so they can get back into the routines again. Here is what we will be working on this month.

Writing: Continue with trace, write, color sheets, and one day working in our handbook.

Literacy: Theme is The Mitten and The Hat. We still have many letters to cover in our Jolly Phonics on Thursdays.

Math: Counting, writing the numbers, and graphing

Health: The Food Plate

Social Studies: Friendships, Kindness, and Acceptance

Please if you ever have any questions or concerns don't hesitate to contact me.

Mrs. Pereira (aka Miss April)
