Application for Graduation with Ph.D. in Electrical and Computer Engineering Degree (Form A, Updated in August, 2024)

Students who started in Fall 2014 or after must use this form. Other students can use this list or Form B. Please attach a copy of your NYU transcript. If you have approved transfer credits, please also attach a copy of the transcript showing the transferred courses.
Please submit the completed form and required attachment to Ph.D. Program Director by email shortly after your Ph.D. defense. Note that you should work with Prof. Jose Ulerio jmu220@nyu.edu to start the process of applying for graduation with a Ph.D. degree in the beginning of the semester that you plan to graduate.

Student Name and ID:

Ph.D. advisor:

Ph.D. guidance committee chair:

Other Ph.D. guidance committee members:

Semester Starting Ph.D. Program (if you transitioned from MS to Ph.D while at NYU, put date that you started MS program and the date you transitioned to Ph.D.):

Entering with a prior MS degree (Yes or No?) If yes, major of MS degree:

Date passing qualifying exam:

Date passing the area exam:

Date passing Ph.D. defense:

Dissertation Grade:

Date bounded thesis submitted:

Formal courses (not including projects, readings, MS thesis or Ph.D. dissertations)

Credits of formal courses taken at NYU:

GPA among formal courses at NYU (3.5 required):

Credits from formal courses approved for transfer credits (please count only formal courses in a prior degree):

Total credits of formal courses (30 credits required, including approved transfer credits. In the case of bulk transfer from a prior MS degree, please submit the transcript from prior MS degree):

Credits of **ECE-GY courses** (15 credits required. List ECE courses up to 15 credits. List any transferred courses you use to partially satisfy this requirement):

Core courses (4 ECE GY 6xxx-8xxx courses)

	Course # and Name	Grade	Points
Core course 1			
Core course 2			

Core course 3			
Core course 4			
GPA among core courses (3.5 required)			

Minor courses (2 non-ECE courses in science and engineering, not including Management. Can be a course in non-EE areas taken from a prior graduate degree)

	Course # and Name		
Course 1			
Course 2			

Number of semesters completing **seminar course** (ECE GY 9900) with "S" grade:
(at least 4 semesters with S grade required)

Course requirement met (YES or NO, to be filled by Program Director):

Credits for Ph.D. Dissertation (21 credits required):
Total credits (75 credits required):
Overall GPA (3.5 required):

Publication requirement (Minimal requirement: 1 published or accepted journal paper; or 1 submitted journal paper and 1 published conference paper)

For published journal or conference paper: Please attach a copy of the first page of the published paper with journal or conference information on the header. For accepted journal or submitted paper: Please attach a copy of the letter from the journal that shows the acceptance or submission of the journal paper, and a copy of the first page of the accepted/submitted paper.

Publication requirement met (YES OR NO, to be filled by Program Director):

Approved for granting Ph.D. EE degree (YES or NO to be filled by Program Director):
List any pending condition:
Ph.D.EE Program Director Name:
Ph.D.EE Program Director Signature and Date:
