

## MediaPlus in Canvas

---

MediaPlus can be found in the following two places within Canvas:

- **Course Navigation Menu**
- **Rich Content Editor (RCE)**

From the **Course Navigation Menu**, Instructors and Course Builders can upload and organize your media into Collections, generate captions and transcripts, create Playlists, or get a link or embed code to share your media with others (and more) without leaving your course.

Easily Embed your media and playlists into Canvas with the MediaPlus plugin inside of Canvas' **Rich Content Editor (RCE)**.

### Accessing MediaPlus in Canvas

**To access MediaPlus in a Canvas course:**

1. Log into your ASU Canvas account
2. Enter the course you would like to use MediaPlus in

Once you are logged into your Canvas course, there are two ways to access MediaPlus in Canvas. They are both outlined below.

#### Course Navigation Menu

Before using MediaPlus in Canvas, you may need to add it to the course navigation menu. To do so:

1. Open the Canvas course in which you would like to enable MediaPlus
2. At the bottom of the course navigation menu, click on **Settings**.
3. At the top of the page, there will be 5 tabs.
  - a. Click on the **Navigation** tab which is in the middle of the tabs.

Drag and drop items to reorder them in the course navigation.
