

Your assignment is to simply show me that you played games!

1. For the first part of this assignment, you will go to this link: [Animal Cell Game - Science - Sheppard Software](#)

You will snip pictures showing that you finished the games with all of the right answers in one try. If you make a mistake, then retry the game.

2. For the first part of this assignment, you will go to this link: <https://www.sheppardsoftware.com/science/cell/plant/game/>

You will snip a picture showing that you finished the game with all of the right answers in one try. If you make a mistake, then retry the game.

3. For this part of the assignment, you are going to snip a picture of the farthest point you got in this game:
