

The Document

Anything Incremental

Make anything here as an Incremental Game

Not everything should be Cookies, you can make other things

Info from the GAME dev:

italics: not added/not added yet (inflation or smt) (like exponents)

Note:All Cookies Upgrades Costs increases

Note 2:There is 12 Achievements for now

Note 2.1:Updated Note 2

Note 2.2:Updated Note 2 Again

Note 2.3:Updated Note 2 Yet Again

Note 2.4:Updated Note 2 Even Yet Again

Note 3:Anything Incremental has a Chance to Have Its Own Code outside Scratch

Note 4:Its Getting Made on Penguin Mod

Prestigious Cookies)

—ATOMIC—

Protons are Generated based on Cookies $^{0.25}$

Buy a Proton Generator (Cost:10 Protons)

Cookies Boosts Itself (Cost:250 Protons)

1.5x Prestigious Cookies (Cost:5K Protons)

Unlock Neutrons (Cost:25K Protons)

Neutrons is Generated by Protons $^{0.125}$

Just 100x Cookies (Cost:5 Neutrons)

Inflate Neutrons, No You Only Get 3x Neutrons (Cost:25 Neutrons)

Generate 1% of Prestigious Cookies (Cost:250 Neutrons)

Unlock Electrons (Cost:1K Neutrons)

Electrons is Generated based on Neutron $^{0.1}$

Generate 100% of Prestigious Cookies (Cost:50 Electrons)

Unlock a New Cookie Buyable (Cost:500 Electrons)

15x Protons and 5x Neutrons (Cost:50K Electrons)

Unlock The Periodic Table (Cost:250K Electrons)

—PERIODIC TABLE—

Hydrogen:Boost Cookies to Inflate, You failed to This Right?, Only 25x Cookies because I'm Nice

Helium:5x Prestigious Cookies, That's It

Lithium:Lose Cookies, I lied, Cookies has a Softcap, Right?, Make it Weaker

Beryllium:Triple Proton

Boron:Quadruple Electron

THE GAME PLAYABLE: <https://scratch.mit.edu/projects/1334030472/>

The penguin mod version is being made so pls wait patiently for a bit (:

UPDATE LIKE EVERY DAY OR SMT IDK PROBABLY IN THE AFTERNOON THOUGH

CURRENT UPDATE #: 2

Changelog:

UPD1:Cookies and Prestigious Cookies Added

UPD2:Buy Max Added and Cookies Upgrades Cost Now Increases

Also Murd-123fun made this on scratch (or Murd10 on The Modding Tree)

Achievements:

#1 - Is This Cookie Clicker? - Get Your First Cookie

#2 - That's Not Creative - Buy a Cookie Upgrade

#3 - Useless Prestige - Do a Prestigious Cookie Reset

#4 - Protonic - Unlock Proton

#5 - Normaltron - Unlock Neutron

#6 - Electric - Unlock Electron

#7 - Uhhhh Why Elements? - Unlock The Periodic Table

#8 - First Element! - Buy Hydrogen

#9 - Balloooooon - Buy Helium

#10 - This is Slow - Buy Lithium

#11 - Too funny - Buy Beryllium

#12 - Too funny 2 - Buy Boron

CHAT SECTION // DEBUGGING

GO TO "CONTINUATION OF THE CHAT" PLEASE!!

Welcome to Chat Section! Pls put your names in before you talk 😊

Just Write Here If You Want

Liam: Oh and it can go past 1.78e308 in penguin mod so YAYYYYYYY

Lidia:Great!

Lidia:Wait We Forgot to Put Our Names

Lidia:That's Better

Liam: OMG i just relized that I can have rounded corners

Lidia:Great!

Lidia: Cookies now has a Softcap

Liam: Alr also im gonna make a discord for the anything incremental game i think later. Just no voice channels

Lidia: Okay, Anyways The Cookie Softcap starts at $1e15$ Cookies, Does It Has Exponents on Penguin Mod?

Liam: Yes and it has like every math function ever like factorial and greater than or equal to

Lidia: That's Classic, Also I Will Change Some Things

Liam: Also i think im gonna remove/replace the "Upgrade Cookie Upgrade" later

Lidia: Okay, Actually Why Not Like Double Cookie Upgrade But It Has a Cap, I will Replace That Right Now

Liam: also what does Decuple mean??

Lidia: Decuple Means $10x$

Liam: Oh Ok.

Lidia: I changed It

Liam: Im gonna replace the Upgrade Cookie Upgrade With "Decrease Cookie Upgrade Scaling (-0.01)

Lidia: Okay

Liam: Alr i have the discord here's the join link: <https://discord.gg/TB4cJvYhkb>

Omega: Cool Chat

Omega: Its Very Cool

Liam: Oh HI! You can join the discord above!

Omega: Okay

Omega: When Penguin Mod will be Finished

Liam: Im working on it rn but i was just about to release a pre-release so yeah

Liam: I'm tring to get the packaged application to work idk if it'll work for others tho but i can try.

Liam: I couldn'y get the application to work so I need to put it on itch.io real quick.

Omega: Okay

Liam: Alr here's The link: [Anything Incremental: The Game by murd-123fun](#)

Liam: It's very unfinished so far though.

Omega: Okay

Omega: The Actual Link just to Search on Google or Chrome

Liam: Oh wait like the packaged project?

Omega: I can't click on the Link

Omega: Yes

Liam: OK

Liam: Alr i also just added the full download link just incase

Omega: Okay then

Liam: Did the thingy work?

Omega: Yes

Liam: Alr im gonna work on adding the rest now..

Omega: It didn't because Something Wrong with The Object

Omega: Try finishing it, I added 2 New Elements

Liam: Are you on Chrome? Cuz it might only work on Microsoft edge and idk how to make it for sure work on other search engines.

Omega: Not yet

Liam: what operating system are you on? Windows, linux, or macOS?

Omega:Its a Device

Liam: Oh mobile? cuz it should work perfectly fine....

Omega:Ok then

Omega:The Continuation for The Chat is in Another Document inside This Document

Liam: where??

Liam: Oh.

Continuation of The Chat

Omega:What happened

Omega:I want to Have my Own Color

Liam: Highlight i guess

Omega:Better!

Omega:Now There is a Space for Chat!

Omega:The Link send me to The Color Upgrade Tree

Liam: That's weird...

Omega:Okay...

Omega:It's Fine

Omega:Notice that it's getting lighter and lighter?

Liam: Are you selecting a diff color slightly?

Liam: Oh it is bolded that could be it.

Omega:More Light

Omega:It's Getting Even More Lighter

Omega:Nvm

Omega:Anything that is White is Permanent

Liam: I just make My text white cuz its a little hard to see when its blue + black

Omega:You got access to My Document

Liam: Yes

Omega:See? Wanna be an Editor?

Liam: yeah sure

Liam: Also is it kinda an anything tree?

Omega:Its inspired by IMR Guide, Also I Used that Guide to Make a Game inside it

Omega:There is also another IMR Guide but its My Version

Omega:Wanna See it?

Liam: sure!

Omega:Done

Omega>Edit Things there, My First Linked Document is Very Huge

Liam: How long did this take you to make?

Omega:I don't remember, I Made This a Long Time ago, Maybe More than 1 Month or Smth Else, I also stopped editing it and i was less Focused on It Every Day until i Stopped

Liam: Oh ok.

Omega:I focus in Other Things now

Liam: Maybe we should switch to the Anything Incremental Discord to talk about how it has a Chit-chat section in it.

Omega:I don't have Discord

Liam: Ok

Omega:This also has Chat but Okay, Don't you wanna Edit Things in My Document?

Omega:I have More than those Two, But they will appear soon or they will never appear

Liam: OK im gonna go now bye (:

Omega:Bye

Lidia:Is This Alive or Not?
