Title (Assunto):

PROTECT JIMIN AND JUNGKOOK FROM FAKE NEWS

Contents (Escrever sobre):

Dear Big Hit,

I am writing to inform you that several accounts have spread false information regarding the military service of members Jungkook and Jimin.

These accounts claim that the members were 'exempted' without justification, sharing fabricated images and videos that purport to depict the artists. One of these videos, specifically posted on YouTube on a channel with 1.76k subscribers, is already known for spreading rumors about the members military service. The content of these videos appears to aim at spreading rumors and misinformation about the members, causing concern in the media.

Thank you,

ARMY.
