

Novatel Mifi Hotspot

These little devices allow you to use US Cellular's cellular connections to create a wifi connection to your student's device.

TURNING YOUR MiFi ON/OFF

To turn your MiFi On, press and hold the Power button on the top right corner of the Mifi for 2 seconds.

To turn it Off, press and hold the Power button for 3 seconds.

To wake the MiFi display, press and release the Power button.

FINDING YOUR Wi-Fi NAME AND PASSWORD

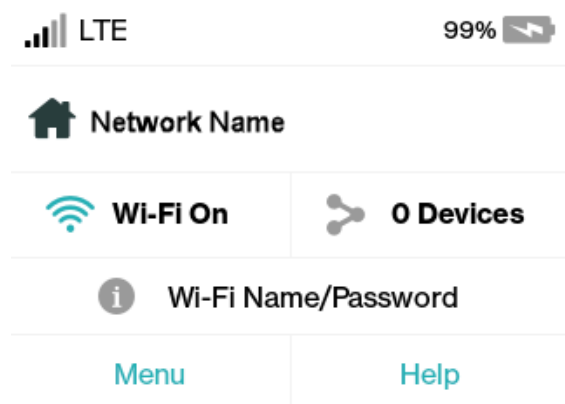

From the Home screen, tap *Wi-Fi Name and Password* to open the Wi-Fi Name/Password screen.

The SSID or Wifi Name is **MtBlue** and the password is **cougars123**

Power Button

Universal Charging Port (Type A USB)

If you've turned the device on and connected, or the device has stopped working please call the Tech Department at **207 - 779 - 9888** for assistance.
