

Your Love Keeps Lifting Me Higher

Verse 1

D **G**
Your love keeps liftin' me higher
Em **D**
Than I've ever been lifted before

So keep it up, yeah, quench my desire
Em **D**
And I'll be at Your side forevermore

Chorus

You know your love (Your love keeps liftin' me)
G
Keeps on liftin' me (love keeps liftin' me)
Em **D**
Higher (liftin' me) higher and higher (higher)

Verse 2

D **G**
Now, once I was downhearted
Em **D**
Disappointment was my closest friend
D **G**
But then You came and he soon departed
Em **D**
And You know he never showed his face again

Verse 3

D **G**
I'm so glad I finally found you
Em **D**
Yes, the One, the one in a million, Lord
D **G**
And now, with your lovin' arms around me
Em **D**
I can stand up and face the world
