- ♦ **Location (Fine & Coarse)**

- Used for location-based features within the app.
- Location access is only active while the app is in use.

- ♦ **Notifications**

- Used to send important updates, messages, and activity alerts.
- You can disable notifications at any time from device settings.

- ♦ **Foreground Services & Data Sync**

- Used to keep essential app features running smoothly while the app is active.

- ♦ **Phone State**

- Used for security, analytics, and ensuring proper app behavior.
- We do not access call logs or phone numbers.

- ♦ **Wake Lock & Boot Completed**

- Used to ensure reliable app performance and background task handling when necessary.
-

3. How We Use Your Information

We use collected data to:

- Provide and improve app functionality
 - Enable social interactions and content sharing
 - Enhance user experience
 - Ensure app security and stability
 - Send notifications and updates
-

4. Data Sharing

Aura Real:

- **Does NOT sell personal data**
 - **Does NOT share personal data with third parties for advertising purposes**
 - May share limited data only when required by law or to protect user safety
-

5. Data Storage & Security

We implement reasonable technical and organizational measures to protect your data against unauthorized access, loss, or misuse.

However, no system is 100% secure, and we cannot guarantee absolute security.

6. User Control & Choices

You can:

- Control app permissions from your device settings
 - Disable location access or notifications at any time
 - Delete your account (if supported in the app)
-

7. Children's Privacy
