

School Supply List for 2021-2022 (updated 7/1)

Community Supplies

We ask that each family contribute a few “community” supplies, if they are able, to help us get through the year. Please bring these to your visiting appointment (new students), or to our Watermelon Social just before school starts. We appreciate any contributions you can make.

Personal Supplies (all students)

- **5 Child Sized reusable masks**- 2 will be kept at school as back ups, one comes in for the day, and 2 can be in the laundry at home
- **Rain boots**- please send a pair to keep in your child's cubby. Our playground is often wet, even when it has not rained, and we would never want to let that keep us from great outdoor play. Please label each boot with your child's name.
- **Raincoat or poncho**- please send a raincoat or poncho that will stay at school. This will allow us to all get outdoors during light rain when it is mild out. Please label with your child's name.
- **Inside shoes**- These can be crocs, slippers, or another shoe that is easy for them to manage and comfortable to wear inside.
- **2 Complete change of clothes** (unders, socks, top & bottom) with each piece labeled in a labeled ziploc bag. We work with water and paint and need to change on occasion.
- **Snack containers**, lunch container (Kindergarten)- bento boxes are great to tote and eat out of), **lunch bag with ice pack**, reusable water bottle that goes back and forth each day, napkins (we will give each child five reusable ones on their visit, but you may also want to use your own
- **Rain pants**, we strongly recommend a pair of rain pants and/or snow pants for wet days
- **Yoga mat** that can stay at school (Kindergarten only)
