CS National Consultation

Representative

I have been a CRA employee for nearly 20 years; in leadership positions since 2013. I consider myself a servant-leader, putting the needs of others first and empowering them to thrive. I'm not afraid to speak out, and I became a Union Steward in 2018 with a focus on helping fellow members in the face of adversity and to give a voice to those in need.

As a steward, I have taken on roles of increasing responsibility - now serving as President of my local Sub-Group representing 800+ CS members. I speak for our members at our Local Union Management Committee meetings, facing off with four Directors General of staff reporting to the Fitzgerald Campus. I am the Site Inspection Coordinator for the Fitzgerald Campus Workplace Health and Safety Committee, since 2021. I am also a First Aider while on-site under the 60% presence return to office mandate. I am a strong advocate of Presence with Purpose!

Supporting members, sharing my knowledge, and representing grievors faced with injustice such as Phoenix pay issues, Workplace Harassment and Violence, and the denial of severance for laid off employees, is a privilege. I am fluently bilingual and wish to broaden the scope of my service to represent the interests of CS members in meetings, national consultation, and wherever it is needed.

Experience:

PIPSC AFS Steward

November 2018 to Present
