## Firearm Sales with a Smile

Tactical Gunsmithing LLC is a specialty gun store. You don’t have to wade through fishing equipment, power boats, or jacuzzi tubs to firearm sales. Firearm sales are all we do. Walk through our doors, and you will find yourself immediately in gun nirvana!

As a smaller gun shop, we are able to add a personal touch to every sale. We make sure you leave with the right gun for you. We also work with hundreds of manufacturers and can order just about anything if we don’t have it in stock now.

A family-owned, family-run business, we are committed to “service with a smile.” There’s no “gun club” attitude here. From newbies to veterans, all are welcome. We pride ourselves in helping our neighbors in Pine, AZ dive deep into the fun, practical avocation of firearm ownership.

A fully licensed FFL dealer, we accept all major credit cards, as well as cash, checks, and debit cards. We also offer a 90-day layaway program for your convenience.

## **Gun Sales Tailored to You**

A licensed FFL dealer based in Pine, AZ, Tactical Gunsmithing LLC built its reputation on honest, straightforward gun sales. Unlike big-box gun stores, we don't run a "spiff" system. We're not trying to push the same gun on everyone because of higher margins. The last thing we want is a customer to get home and discover that the gun we sold them isn't right for their needs.

Instead, we staff our sales team with highly-trained firearm experts, passionate about gun sales and committed to customer service. We listen. Tell us what you need. We keep over 7,000 firearms in stock at any given time and relationships with every major manufacturer. We have access to guns that other stores can't get. Whatever your firearm needs, we can get it for you.

We are also your one-stop shop for cleaning, gunsmithing, and customization services.

## **Expert Firearm Customization**

Want to trick out your gun and make it really "yours?" Tactical Firearms LLC is the place to go. We are the leader in Pine, AZ when it comes to firearm customization, factory-trained in both DuraCoat® and Cerakote and an authorized dealer of both firearm customization products.

DuraCoat® is the most popular firearm customization product on earth. It is a corrosion-resistant liquid finish that can be applied to any type of wood, metal, or plastic. DuraCoat® is available in over 300 colors, including specialty collections like Heavy Metal, Girl Guide, Electric, Bloomberg, ZombieCoat, and DuraLaser.

Cerakote is a thin-film ceramic-polymer coating available in over 100 colors. Once applied to your gun and oven-cured, it is the most durable firearm customization product on the market.

Tactical Firearms LLC is also qualified to do frame stippling and add night sights to your gun.
