Sommernacht des Musicals - Dinslaken, Germany - 22.07.2023

Cast: Abia Alaoui, Aisata Blackman, Celena Pieper, Mark Seibert, Philipp Büttner, Patrick Stanke

Notes: Great capture of another amazing Sommernacht concert in Dinslaken. If you ever wanted to see Patrick Stanke and Philipp Büttner sing Komet (Apache&Udo Lindenberg) this is the video for you.

Includes the classical musical songs as Ich gehör nur mir or Totale Finsternis but also songs varying from movies like the Greatest Showman to Queens best. The video has short blackouts between the songs in act 2, and one mayor (1,5 ish minutes) blackout during a song early on in the 2nd act, but overall no big actions are missed and it's a great video.

A special highlight will be an exclusive excerpt from the new Disney musical The Hunchback of Notre Dame (05.05 - 14.15).

Willemijn Verkaik: Brightest Colors - Oberhausen (Stadion Niederrhein), Germany - 5 July, 2021 - NFT except through me (Video)

Cast: Willemijn Verkaik

Notes: Open-air Solo Concert. The same she did last year with a few changes (Songs - Into the Unknown in 3 languages and Little Girls from Annie, talking bits, etc.). A really lovely concert! Willemijn forgot her lines to Jetzt und Hier right before entering the stage in the beginning. Before Lass jetzt los she said: "If you don't sing (this song) with me...!". At the end of the song, she tried to make the audience sing a line, but everyone missed it (people start laughing). A few seconds later everyone joins in though.

File Info: *Recorded on a Phone in 1080p. I zoomed into the video afterwards to remove the sky part and a face on the bottom right, so it just shows the stage. No zooms and filmed blindly. Audio is good too. Sometimes the camera is tilted but nothing major. Camera is pointed too high and only shows Willemijn's Head for around a minute in the beginning.*

Performers: Stanley Burleson, Willemijn Verkaik, Jonathan Vroege, Jamaï Loman, April Darby, Vajèn van den Bosch

Notes: Nice video of the final Disney 100 in Concert show in Amsterdam. There's a head on the right side which sometimes obstructs the far-right side of the stage, but barely anything is missed. The camera sometimes got confused because of all the glittery outfits, resulting in some loss of focus here and there, particularly during Vajèn's 'How Far I'll Go'. Video is patched in from an external source.

Linda Eder in Concert - xx.xx.1999 - TV Broadcast

Cast: Linda Eder, Frank Wildhorn

Notes: Her first televised concert, to my knowledge, and she packs in many of her favorites, including a spirited "Bring on the Men" and "Vienna". Then-husband and longtime musical collaborator Frank Wildhorn even makes an appearance at the piano! For the end number, Eder reins in some friends from Les Misérables, the Civil War, Jekyll & Hyde, and The Scarlet Pimpernel. She's a very down-to-earth, amiable, and energetic personality; pleasant to watch.

Setlist: Big Time, It's Time, Bring On the Men, New Life, Someone Like You, Vienna, Man That Got Away, Over the Rainbow, I Never Knew His Name, Man of la Mancha, Havana, Why Do People Fall In Love? I Want More, Something to Believe In.
