

Out & About Club: 7TH AND 8TH GRADE TRIP SCHEDULE TRI. 3

Students,

On trips and bus rides to the activity, **school rules are still in effect**. We are known for having a great group of students, so let's keep it that way and always **show others our best self**. If there are problems, you will be unable to attend future outings.

Help your parents by **keeping track of the schedule**.

(Try to carpool with a friend and have the necessary money and waivers organized).

Parents, Please be mindful of the **pick up time and location**.

Students will **need a ride home** from our **activity location**.

Emails will be sent to alert you of any changes to the schedule.

It is important to **check your email** for changes, cancellations, or updates. The club [webpage](#) is also an excellent place to visit.
