payment

- i accept payment via ko-fi or cashapp only!
- please pay either half or full payment upfront, i won't start working until i receive payment.
- the prices listed on my site are subject to change based on the complexity of the piece you request.
- no refunds once i've begun working on the piece.

process

- you will be updated at every major change to the piece (sketch, line art, flat colour, etc)
- i won't continue with the piece until the sketch has been approved.
- small revisions during the sketch stage are free, however major revisions to the sketch / after i've progressed any further will cost extra.
- estimated wait time is between 2 - 6 weeks, this can fluctuate a lot however. strict deadlines are subject to a rush fee.

usage

- pieces commissioned for commercial use must be discussed with me prior!
- i do not give permission for my artwork to be used as an nft or associated with crypto
- please credit me clearly if you post the commissioned work anywhere or use it as a pfp or banner.

other

- reference images are always appreciated!
- i have the right to decline a commission for any reason
- i will not draw nsfw of real people, underage characters or characters that are heavily based on real people.
