TERMS OF SERVICE

By commissioning me, you
are agreeing to the
following terms:

- ☘) — Payment must go after the sketch is shown.
- ☘) — I'm allowed to post the commission unless the client states otherwise beforehand. The oc's credit will be given to you.
- ☘) — No refunds. If you don't want to / can't commission, please announce it before I continue after the sketch.
- j☘) — I take 1 week or less to complete a commission depending on what the client wants. The maximum wait would be **one month**. If I take more time than that, I will inform you of my reasons. Beware I also have a social life outside the internet.
- ☘) — I will always ask for a picture of the money transaction to make sure the client pays (I will **also** check my bank account to be 100% sure).

☘) — All commission pieces are not allowed to be used for any sort of AI programs. Commissions from me are for personal use only, such as uploading them to the internet, or using it as a profile picture (all with credit). Clients can't gain profit out of my art.

☘) — I have the right to decline any commission that may seem overwhelming to me, or my abilities may just not be expanded enough to do it.

☘) — I will let you know if I can't do a commission at the moment before you pay.

☘) — Extra character = double the price.
