

Subject Liene : Tackle Spring Cleaning with age-old wisdom

For over 3,000 years, the tradition of **Spring Cleaning** has been passed down from generations prior with the mission of Sparkling floors, Dust free surfaces, Gleaming windows, Stain free countertops.

The investment of **time & effort** to go to battle with the messes of the house.

You face dusty surfaces,
Grimy windows,
Fabric stains from the festivities,
Cooking appliances after war with turkeys,

Most importantly is your craving for a fresh new home by :

- 1). Vanquishing the feeling of tense discomfort that's caused from noticing the areas all over your home that seem to never be fully cleaned.
- 2). Just like your mind, you improve your mood by going from a chaotic, cluttered and messy home to ordered, decluttered and clean.
- 3). Sitting back, throwing the legs up and melting into the seat as you cool down at the tv after a long day of hard work with the stress free thought of not needing to do any cleaning.

Our ancestors didn't need to clean windows, worry about fabrics or stress about restoring the appliances to their prime. Why? They didn't exist.

Yet they still saw the importance of cleaning what they had in order to restore the home just like above.

The choice is yours.

Like baking a good cake, you have to invest **attention, time** and **effort** to get the most delicious result. The same goes for a fresh new home.

Or

You can leave the baking to the professionals, you can invest your attention elsewhere, save time and effort to still get the delicious result of a fresh new home.

Our ancestors didn't have access to modern technologies so they didn't have the choice.

However, you do.

A service for you that saves you the **time** and **effort** and gives you a **fresh new home**.

You can have Sparkling floors, Dust free surfaces, Gleaming windows and Stain free countertops with the **click of a button**.

In a matter of hours you can have the delicious result and the “home sweet home” feeling without the extra work.
