

Dear Students, Parents, and Guardians,

Welcome back to all returning students and a special welcome to all incoming new students! We are so excited to be able to plan this school year. We hope to continue the ASPTO tradition this year by supporting programs, assemblies and events that enrich our childrens' Schooling experiences. We also want to thank all of our students, parents and guardians of the school community for all of your incredible support during the last couple of difficult years. We hope we made you proud with our programming and school contributions.

We meet MONTHLY on the second Tuesday of every month and would love to see you there this month on **September 13**, in the Middle School library or via ZOOM. 6:30pm(Executive board) and 7:30pm (MS).

- We are looking for Board members and Volunteers! Please consider joining us as a representative of the Middle School community!
