

**The Pecan Valley Grumps is loosely organized
group of golfers competing on a regular basis**

Membership:

Membership is open to golfers aged 50 or older who maintain an established GHIN handicap to determine low net winners.

Competition:

As weather permits and except on designated holidays, play occurs on Monday and Friday mornings throughout the year. The primary courses played are The River and The Hills at Pecan Valley. All tournaments are governed by the [Pecan Valley Local Rules of Play](#)

Fees:

To make the competition interesting a minor entry fee is charged to play and cash prizes are awarded to the winners.

Organization:

Scheduling, rules and practices that govern play are determined by consensus. A single golfer designated the "Tater", is primarily responsible for tabulating scores, determining awards and posting tournament results. The Tater acts as treasurer - collecting entry fees and distributing cash awards, and also acts as the primary arbiter in establishing group consensus.
