

We're looking for a Freelance Video Editors!

We're looking for a skilled Freelance Video Editor to join us for long-form video editing projects, especially for YouTube.

About the Role-

Type: Fully Remote and Freelance

Scope: Long-form video editing with a focus on storytelling, sound design, and creative visuals.

Tools: Expertise in Adobe After Effects is non-negotiable.

Compensation: ₹600-₹800 per minute of edited content (negotiable based on quality).

Workload: Consistent and manageable with full creative freedom.

What We're Looking For:

1. Storytelling Skills

You must have a knack for weaving visuals and sound into engaging narratives.

2. Sound Design Expertise

The ability to choose the right music and sound effects to elevate the video's vibe

Perfect syncing of audio with visuals.

3. Visual Creativity

High-level proficiency in After Effects to create eye-catching visuals.

A flair for creating smooth, cinematic, and professional edits.

Why Work With Us?

- Consistent Work: You'll never run out of projects.

- Creative Freedom: No micromanagement—bring your best ideas!
- Flexibility: Manage your time and workload comfortably.
- Professional Growth: Work on exciting projects that challenge and inspire you.

Expectations:

- Strong commitment to meeting deadlines.
- High-quality edits with attention to detail.
- Open communication and reliability.

If you're disciplined, responsible, and passionate about storytelling through visuals and sound, we'd love to see your work!
