Instructions to use this template:

- Go to File —> Make a Copy to save a version of this template for yourself
- Fill-in columns 1 and 2a first. Describe what you *do* want in as much detail as possible!
- After you have filled in as much as you can (even waiting days, or over the course of a few weeks), start to fill in the third column: make your best guess after reflecting on unknowns

Pivot Vision: What is your ideal state one year from now?

	1) Knowns	2a) Unknowns	2b) Best Guess
