

Hello,

Thanks for contacting @transformedsinc!

Please feel free to review this email and you can also text to schedule a phone call (647) 267-7597, so that we can help with your inquiry/booking process.

It is with great excitement that we share TransformEd's plans to expand our studio space in the Village of Kleinburg where we will continue offering our creative classes, programs, playdates and photoshoots during 2021!

The new place is now ready and has been open since March 8th, 2021!

We will offer opportunities for children ages 6 months old to 12 years old, parents/caregivers, and adults artists/educators:

- Creative children/family classes ([see complete program list here](#))
- Drop-off preparatory learning programs before attending childcare/school (2 or 3 hours long) *unlicensed home-childcare
- After-school and weekend classes *private home tutoring
- Language and music instruction (Italian, Greek, Piano, vocal, etc.)
- Private playdates and special theme days
- Photoshoots and photography packages (room rental for special events or to bring your own photographer)
- Adult speciality classes and socials (Paint nights, Flower workshops, etc.)
- Educational training/consulting for teachers and RECEs
- Learning materials to take home/classroom #TransformEdBoutique

Here are some documents for you to read through while making your decision:

- [TransformEd Complete Info. Package](#)
- [Seasonal Dates for 2021](#)
- [2021 Program Offerings & Schedule](#)
- [Safety Procedures & Reopening Plans](#)
- [Pricing, Payment & Policies](#)
- [Registration & Consent Forms](#)

Even with the challenges of this global pandemic, we had a wonderful Summer/Fall 2020 season with lots of interest from the community and several new and returning families. Most of our requests have been relative/friend private cohorts (bubble groupings) which we will do our best to still accommodate!

Childcare centres remain open, as essential services and schools have provided several options including virtual learning. Perhaps you may also wish to consider a Kindergarten or School aged program this year if your child is at home. Our private small group atmosphere is really ideal for attention, and a great opportunity for socialization.

TransformEd will continue to provide creative learning experiences for children and families in a safe/healthy environment. We believe that by placing these guidelines, we will get through these trying times.

We are looking forward to seeing everyone again in our newly designed studio, socializing together, and celebrating what childhood is really all about!

According to [Phase 2 of Reopening Ontario](#), I am able to offer the following face-to-face services to children, parents, and educators:

- Education and tutoring
- Childcare
- Photography
- Consulting
- Recreation

TransformEd is allowed to reopen to the public with limited or modified on-site programs and services that follow workplace guidance and public health advice.

- Recreational activities are restricted at indoor facilities, but these spaces can be used for other programs and services. Examples of physically distanced programs and services include in-person counselling, group counselling, computer access, education and tutoring.

Transformed has, therefore, been busy behind the scenes taking numerous health and safety measures to ensure a smooth transition back to our space for the well-being of all children and families! This is why we have taken extra time making decisions to be certain that we have consulted with other professionals working with young children (in childcare, paediatricians/nurses at Sick Kids Hospital, public health, regional guidelines for the City of Vaughan, etc.). We would rather be overly cautious and prepared -- both as educators and parents of our programs!!!

*As always, and even more so now with wanting to keep our numbers low -- **registration is on a first come first serve basis.** [Your request to enrol will place you in priority sequence to select your program/hour.](#) You can email back here, text, or phone to schedule your classes (647) 267-7597. [All of our private groupings are by appointment only.](#) And your payment (or credit) secures your spot. I would also be happy to explain any of my documents or new procedures with you over a Zoom video call where we can share the screen of my laptop...*

Need some help navigating all of this information and our registration process?

Please don't hesitate to contact us through email transformedps@gmail.com, text (647) 267-7597 or to schedule a phone/zoom call. We would be happy to guide you through the whole booking process!

How to proceed with your booking:

(respond to this email - copy and paste below with your answers)

- parent's name
- child's name

- child's age in January 2021
- cell phone number
- instagram account
- program preference (will you attend with your child or drop them off) ([see program list here](#))
- preferred day of the week (give 2-3 options)
- preferred time of day (e.g., morning, afternoon, after school)
- preferred class length (e.g., 1 hour class for 3 months or 2 hour class for 1 month, etc.) ([see pricing here](#))
- complete the newly updated [digital registration and consent form](#)
- **payment* only gets sent once we confirm that your preferred program/day/time are available*

Are you wishing to book TransformEd on behalf of a private group in your family/friend bubble?

You are able to have the entire space for your group, and the programs will run the same (with parents/drop-off) but it would not include anyone else in our community.

Requirement: 5 children (or you can pay the difference if there are less)

Copy and paste the above information, but include all the parent's names/emails, children's names/ages, CC them on the email so that I can respond to all of you about the payments.

Please note if you wanted to join a general community group with 1-2 friends, this can also be done and would require the same information as above.

Thank you again for your continued interest and support,

The TransformEd Team
