**Pre-Arrival Testing:** All retreat participants are required to take an at-home COVID test within 24 hours prior to arrival at BCH. You will be asked to show a time-stamped picture of your negative test result at check-in. If you need a test kit, please contact Ellen in the Redeemer office.

**Face Masks:** Please bring a well-fitting mask with you. As of August 21, 2022, masks are not required at BCH, EXCEPT when Redeemer's group is using a common area at the same time as another visiting group, e.g. in the dining area when not eating. In this case, ALL are asked to wear masks. Whether you are more comfortable with or without a mask at other times, please know that your choice is welcome and supported.

**COVID Updates:** Please be aware that COVID protocols may evolve between now and October 28-30. Updates will be communicated to all participants via email. Be sure to check for updates prior to the retreat. We will work with you to address any concerns you may have as best we can.
