

An open spiral notebook lies on top of a sweater.

The top of the page reads, in green loopy handwriting: Halloween Movie Marathon Itinerary. On the right is a doodle of a spiderweb in green in and on the left a pause, play, stop, and fast forward button in blue ink.

Under the title is the following:

Green ink - Date: October 31st, of course!

Attendees: Hayden, Kameron, Quinn (?), maybe Micah won't seem as embarrassing on Halloween.

In neat, blue ink - PLEASE let me meet Micah.

Green ink - 11 am - Guests arrive at Hayden's for spooky brunch

Blue ink - what the heck is "spooky brunch"?

Green ink - 12 pm - Don't Look Under the Bed (1999)

In brackets, this doesn't seem like a real scary movie but Kameron insisted so it'll be warm up

Blue ink - WARM UP?? IT'S A HALLOWEEN CLASSIC

Green ink - 2 pm - The Babadook (2014). Beside this is a doodle of a box of popcorn. In brackets, deserves a matinee position for that silly title.

Blue ink - 3:30 pm - neurodivergence sanity minute. Beside this is a doodle of a sun and some waves.

Green ink, in brackets - apparently this means we take a break to avoid overstimulation

Green ink - 4 pm - Coraline (2009)

Beside this is a doodle of a hand. In brackets, good old fashioned afternoon terror.

Blue ink - I can't believe you're one of those people who doesn't take animation seriously.

Green ink - 6 pm - trick or treating break!

Blue ink - Hayden, we're in our 20s

Green ink - oh, is that a problem in California?

7 pm - scary supper

Blue ink - WHAT DOES THIS MEAN????

Green ink - pizza, probably. Beside this is a doodle of a pizza. Green ink - and way too much candy

Blue ink - For dinner?? That IS scary

Green ink - 8 pm - Donnie Darko (2001)

Micah says it's good so I dunno

Blue ink - so Coraline and Don't Look Under the Bed are "matinee movies, " but not the one where an evil rabbit haunts Jake Gyllenhaal??

Green ink - 10 pm - Pan's Labyrinth (2006)

Totally counts as a Halloween movie

Blue ink - Hmmmm...

Green ink - midnight - A Nightmare on Elm Street (1984). Beside this is a doodle of a pumpkin. A genuine classic!

Blue ink - you thought THE WRITER made up Freddy Krueger until 2 weeks ago
