Week 1 Technology and Syllabus Quiz

This Technology and Syllabus Quiz must be completed by Thursday, end of day, because it is part of how I report first week attendance in this class.

The purpose of the quiz is to ensure you know some key information from the syllabus and that you can use your technology well. Most of the questions don't have points, because there are no right or wrong answers.

You can take this quiz multiple times, and use any course materials you like. There is no time limit.
