“Trekking on Kondapalli Hill”

No. of students Participated: 64

Date: 07-01-2018

PSCMRCET has initiated a novel concept called the “Hobbies Clubs”. The various clubs include: Singing Club, Dance Club, Theatre Arts Club, Photography Club, Trekking Club, Drawing Club, and Fine Arts Club. The prime motive of initiating the “Hobbies Clubs” is to provide a platform for the students to show case their talent and skill if they already possess them. Apart from this if the students of the institution would like to acquire those skills in the area of their interest, they can join such clubs absolutely free of cost and get the required guidance for the experts of that particular segment. As a part of this the students had been to Kondapalli village and did trekking to reach the fort a top the Kondapalli hill.
