Subject: Exclusive Offer: Engage Talent from your Alma Mater with a Micro-Internship at NO COST to You

Dear [NAME],

[UNIVERSITY] is excited to announce a new program [LINK TO SCHOOL-SPECIFIC DELUCA LANDING PAGE OR THIS PAGE] that allows us to cover the cost for our alumni to engage current students in short-term, professional, paid work experiences! In short, you get a project done by a talented [UNIVERSITY] student at no cost to you, and the student gets paid thanks to a generous grant from the Frederick A. DeLuca Foundation.

Through Micro-Internships, students can demonstrate their skills, explore career paths, and develop their professional networks. Unlike a traditional internship, these paid opportunities typically range from 10 to 40 hours of work, and many can be completed remotely.

Not only does this help the students, but it allows you to get immediate support on tasks that may not be the best use of your time. In addition, you're supporting a student from your alma mater by providing this valuable opportunity for them to gain paid experience - **at no cost to you!**

Join us at an informational webinar to learn more (https://info.parkerdewey.com/micro-internships-overview), or check out [LINK TO SCHOOL-SPECIFIC DELUCA LANDING PAGE OR THIS PAGE] today to see sample Micro-Internships and post a project.

Sincerely,
