Thank you for your commitment to your school community and all the children of Wake county. Your time, talent, and energy are appreciated!

Building Community: New Facebook Groups for PTAs

One goal of Wake County PTA Council is to build community. Very often, Wake PTA is asked to share resources or success stories from local units about common activities and events, such as how to start a school garden, how to start an international night event, and so on.

To help US connect better, we've created these Facebook groups:

- Wake County PTA Elementary: facebook.com/groups/wakeptaelementary
- Wake County PTA Middle: facebook.com/groups/wakeptamiddle
- Wake County PTA High Schools: facebook.com/groups/wakeptahighschools

We encourage you to use these groups to share resources and information. These groups are moderated by the Wake PTA Council.

If you have any questions, please reach out to us this year!
