Dear Student

GCSE Examination Results 2026

I hope that you have been successful in your examinations. The following information may be useful to you following the receipt of your results.

Queries following the issue of results

I will be in the General Office until 3:00pm on Thursday 20th August, and between 8:30am and 3:00pm daily from 2nd September for any queries regarding exam results. You may also contact me by email, tandrews@oathall.org although due to the college being closed for the summer holidays, I may not be able to respond until after 2nd September.

Awarding Body Post Results Services - Review of Results (RORs)

If you wish to have a 'Clerical Re-Check' or a 'Review of Marking', it is possible to make an enquiry to the Examination Board through Oathall Community College. You need to be aware that where a Clerical Re-Check or Review of Marking occurs, your grade can go down as well as up and if the grade returned is lower, this will be your final grade.

Oathall's 'Procedures for Exam Appeals and Reviews – Internal and External' can be found by visiting the school website. (Learning-Exams-Oathall Exam Information Website-Student Information-Appeals)

Service 1 – Clerical Re-Check

This is a re-check of all the clerical procedures leading to the issue of a result. The service includes the following checks:

- That all parts of the script have been marked
- The totalling of marks
- The recording of marks

The outcome of the Clerical Re-Check will be reported along with a statement of the total marks awarded for each unit/component included in the enquiry.

To request a Clerical Re-Check please complete and return the yellow Candidate Consent Form. You must indicate clearly which unit/s or component/s you would like re-checked (most awards consist of more than one unit/component.) The fees listed in 'Review of Results (RORs) Services and Costs' are per unit/component). You must sign, confirming that you understand that your overall grade may be lower than, higher than, or the same as the grade which was originally awarded. The fee will be returned to you if the Clerical Re-Check returns an improved grade.

Service 2 - Review of Marking

This is a post-results review of the original marking to ensure that the agreed mark scheme has been applied correctly. It is not a re-marking of the candidates script. The service will include:

- A Clerical Re-Check detailed in Service 1
- A Review of Marking

To request a Review of Marking you should:

- Speak to your subject teacher before making a request to see if they agree that a review is worthwhile. An informed decision can be made by viewing the Awarding Bodies' grade boundaries (published on the Awarding Bodies' websites and the Oathall website: Learning-Exams-Oathall Exam Information Website-Student Information-Grade Boundaries) and

comparing the grade boundaries to the score in the 'Mark' column on your 'Results by Student Report'. In some cases, our own analysis will suggest that a review is advisable, in this case we will contact you directly.

- Complete and return the yellow Candidate Consent Form. You must indicate clearly which unit/s or component/s you would like to be reviewed (most awards consist of more than one unit/component). The fees listed in 'Review of Results (RORs) Services and Costs' are per unit/component). You must sign, confirming that you understand that your overall grade may be lower than, higher than, or the same as the grade which was originally awarded. The fee will be returned to you if the Review of Marking returns an improved grade.

All requests for Clerical Re-Checks or Reviews of Marking must be received by **Wednesday 23rd September 2026**. All requests will be acknowledged by email and no requests will be accepted after this date.

The deadline for the awarding bodies to complete the Clerical Re-Check is within 10 calendar days of the request being received and 20 calendar days for a Review of Marking. The candidate will be informed of the outcome via the email address provided on the 'Candidate Consent Form'.
